### **Psychotherapist Job Description:**

Rose and Sooy Counseling, LLC is seeking a compassionate and skilled Mental Health Therapist to join our team! We are looking for a full-time (18 minimum clinical hours per week) therapist with a focus in working with trauma, neurodivergence, and co-occurring mood disorders.

### **This role is perfect for folks who:**

- Want scheduling independence and a hybrid work model
- Desire to continue learning and growing as a therapist
- Value collaboration and a positive team environment
- Are self-aware and have done/are doing personal work to heal
- Are a member of and/or affirming of the LGBTQIA+ and/or BIPOC Communities

*Rose and Sooy Counseling, LLC is inclusive and affirming to all races, bodies, religions, genders, and sexualities. We stand in solidarity against injustice, systemic racism, homophobia, sexism and all other forms of structural oppression. We are committed to providing a safe space for all of our clients, including those who identify as transgender, non-binary, gender non-confirming and/or BIPOC. We consider everyone's ability to make decisions about their health, bodies and sexual life to be a basic human right.*

*\*If this does not align with your personal and professional values, this position will not be a good fit.\**

### **Responsibilities:**

- **Client Assessment and Diagnosis:** Conduct thorough assessments to evaluate clients' mental health needs and accurately diagnose mental health conditions.
- **Treatment Planning:** Develop and implement comprehensive, individualized treatment plans tailored to each client's specific needs and goals.
- **Therapy Sessions:** Provide a minimum of 18 client sessions per week using evidence-based therapeutic approaches.
- **Case Management:** Coordinate with other healthcare providers, social workers, and community resources to ensure comprehensive care for clients. Complete phone consultations with potential clients, manage appointment cancellations and client scheduling.
- **Documentation:** Maintain accurate and timely documentation of client progress, treatment plans, and complete notes within 72 hours of sessions.
- **Professional Development:** Stay current with the latest advancements in mental health treatment and participate in ongoing professional development activities.

### Qualifications:

- Masters degree in counseling, social work, clinical psychology, or a related field from an accredited university
- Licensed or eligible for licensure in appropriate counseling field in the state of Tennessee
- In good standing with the State of Tennessee Licensure Board
- Excellent communication skills with clients and colleagues
- LGBTQIA+ affirming and supportive to BIPOC communities
- Previous experience in diagnosing and treating mental health disorders
- Previous experience using an electronic health record (EHR) system such as Simple Practice
- Trained in trauma treatment and affirming to neurodivergence
- Preference for clinicians who see both Individuals and Couples
- Bonus if trained in any of the following modalities: Somatic Therapy, IFS, ACT, Gottman, Imago, EFT, Polyvagal, EMDR, Brainspotting

### Benefits We Offer:

- Opportunities for professional growth and development
- Supportive and collaborative work environment
- Flexible scheduling options with a hybrid work model
- Comfortable and inviting in-person therapy practice space
- Free clinical supervision and consultation
- Yearly stipend for mental health CEU's for licensure
- Monthly personal mental health stipend

If you are passionate about making a positive impact on the lives of others and possess the qualifications for this role, we encourage you to apply!
